

Bring Big Screen Movie Magic Home

Instant Backyard Theater

www.openaircinema.us

OPEN AIR HOME SCREENS™

90 DAY WARRANTY

20 MPH WIND RATING

ULTRA LIGHT WEIGHT

Steel Rings

Steel rings are sewn onto the screen with three layers of reinforced material.

Zipper Air Vent

The screen deflates in seconds with the zipper air vent.

Projection Surface

Bright, matte white, wrinkle resistant projection surface made from smooth ripstop nylon.

Strap Sliders

Easily and quickly adjust the tension of the tethers.

Twist Stakes

Easy twist-in stakes and clip-on rings make set up a snap.

Inflatable Material

The durable nylon gives Open Air Home Screens a total weight of only 12-17 lbs.

Air Blower

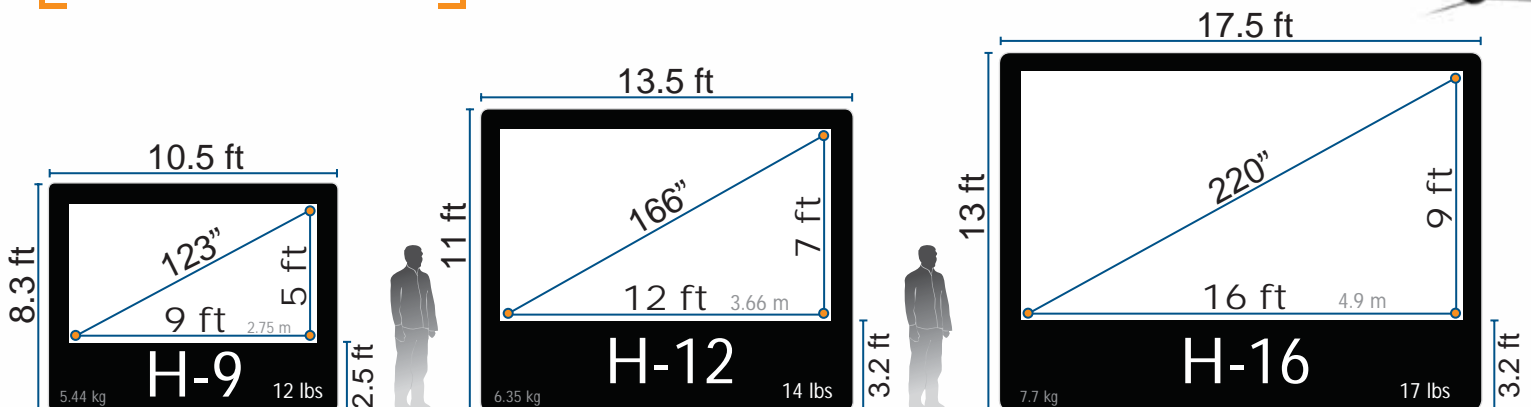

Inflates your screen in seconds and quietly provides constant air pressure.

Optional Screen Accessories

- Deluxe Heavy Duty Storage Bag
- Water Bag Anchors
- Air Blower Sound Dampener

Blackout Backdrop

Greatly enhance the contrast and clarity of your movie. It eliminates rear interference from street lights, house lights or headlights.

For Larger Screens Check Out Open Air Pro and Elite Screens

All-In-One Cinebox Home Console

CineBox Home rips the roof off the home theater and takes it outside. Everything you need for a backyard movie night is included: a huge inflatable movie screen, projector, powerful outdoor speakers, audio mixer, cables, and more. The screen is easier to set up than a pup tent so virtually any location can become a drive-in style theater. Enjoy your movies or video games by the pool, in your backyard, or watch the big game at a BBQ on the beach.

**COMPACT
AND ULTRA PORTABLE**
**Pre-Connected
WIRES AND CABLES**
**TURN-KEY
AUDIO VIDEO SYSTEM**

Outdoor Projector

The CineBox Home matches the best Sanyo outdoor projector to each screen size.

Quick Set Up Guide

*DVD Player

*Play DVDs, CDs, and JPEG Photo discs.
* Models may vary.*

Audio Mixer

Easily fade between movie audio or music without touching a single cord. Directly connect audio from mp3 players, video games, laptops and more with included adaptor cable.

LED Flashlight

A compact light allows you to discretely light up your controls in the dark of night.

Protective Hard Case

Consolidate space and eliminate confusing, messy wire trails with the organized, padded case.

Powered Speakers

Durable, yet lightweight speakers with treble, bass, and volume controls. Balanced speaker cables included.

Audio Visual Upgrades

*-Higher Lumen (brighter) Projector
-Hard Case for Projector
-Mackie or JBL Powered Speakers
-Speaker Stands*
