

Backyard Inflatable Movie Screens

Birthday Parties - Youth Groups - Family Reunions - Weddings - Holidays - Stay-cations - Video Games

Open Air Cinema announces a whole new way to enjoy the thrills and fun of movies under the stars with its Open Air Home Screen. It is simply gorgeous, affordable, ultra light weight, and ready to turn any backyard into a drive-in theater experience. The wide screen inflatable screen is easier to set up than a pup tent and is easily transportable.

Virtually any venue can become a theater now. With the Open Air Home Screen you can affordably enjoy your favorite movies by the pool, in your backyard, or at a BBQ on the beach. Open Air Cinema manufactures its screens in the United States under the highest of standards to ensure quality, durability and ease of use.

WIND RATING

MADE IN USA

Steel Rings

Steel rings are sewn onto the screen with three layers of reinforced material.

Zipper Air Vent

The screen deflates in seconds with the zipper air vent.

Projection Surface

Bright, matte white, wrinkle resistant projection surface made from smooth ripstop nylon.

Strap Sliders

Easily and quickly adjust the tether tension.

Twist Stakes

Easy twist-in stakes and clip-on rings make set up a snap.

Inflatable Material

The durable nylon with a total weight of only 12-17 lbs.

Air Blower

Inflates your screen in seconds and quietly provides constant air pressure.

Blackout Backdrop

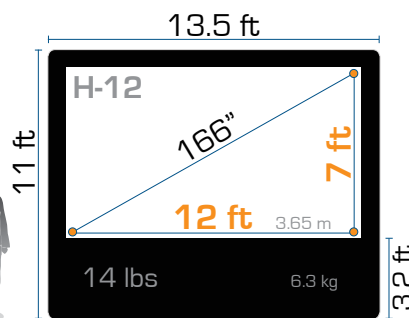

Greatly enhance the contrast and clarity of your movie. Eliminates rear interference from street and house lights.
